# terra

meeting space @ SKKY HOTEL

## focus

Success in any endeavor requires the focus of all mental and physical energies to the task at hand without distraction. The **terra meeting space** is designed to allow your team members the ability be completely focused on your meeting.

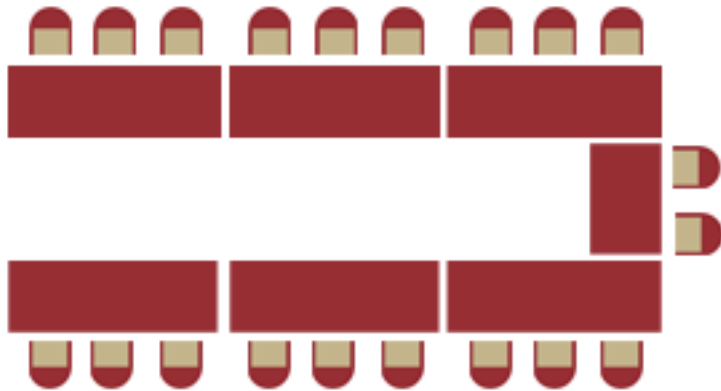

Located away from the rest of the hotel in the lower levels, the terra room includes: a private bathroom, kitchenette, and a private bar for social occasions. The space is quite versatile in how it can be used: boardroom setups, classroom style, or U-shaped table arrangements are all possible.

Catering services are provided by Volare, the restaurant located at the SKKY Hotel.
